## Dimensions

257.5mm x 222.2mm x 28.95mm

## Weight

810g

## Compatibility

Latitude 7030 Rugged Extreme

# Dell Mobile Battery Charger

Charge external batteries in a mobile form factor for continuous battery life in on-the-go applications

## Dual battery bays with charge LEDs

- Use the dual battery bays to charge your tablet's hot swappable batteries
- Each bay has a charge status indicator light, so you know when the batteries are fully charged

## Multiple USB options

- Use the USB-A (10W out) charger to power your other devices
- When system is not plugged in, but batteries are inside, you can charge your other devices (use system as power bank).

## Option to mount charger on the wall

- Includes wall mounting brackets to easily dock your charger in the office
- Charging unit removes quickly for portability

## Dimensions

- 134 x 87 x 81 mm

## Weight

- 347g

## Compatibility

- Latitude 7030 Rugged Extreme

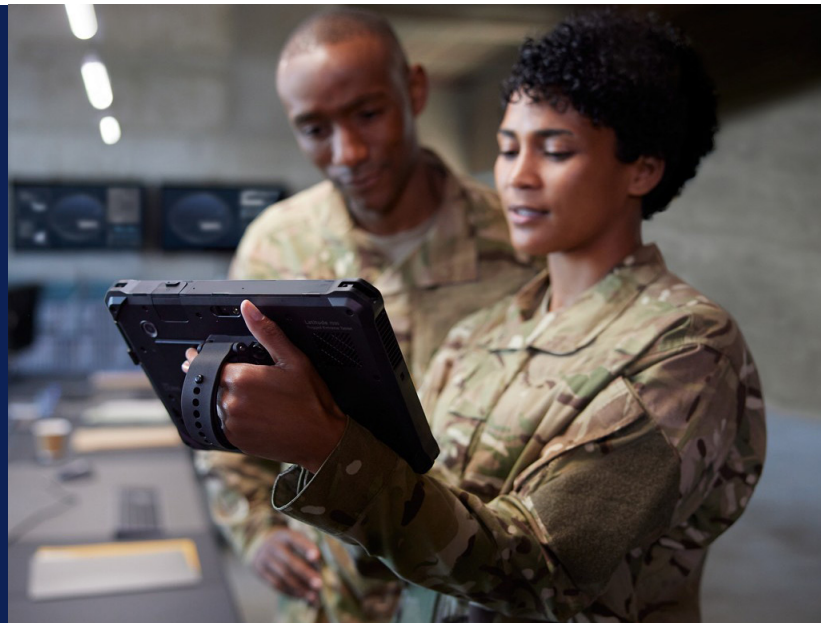

## Features

- Mountable on a wall
- Indicator LEDs on the charger
- 10W out charge via USB-A
- USB Type-C power input only (no barrel)

# Dell Rotating Hand Strap

Secure the tablet on around your hand for ultimate mobility with the Dell Rotating Hand Strap.

## Adjust and secure the strap to your wrist

- Ergonomically-designed strap allows for a custom fit

## Excellent viewing experience

- Featuring a 360-degree swivel, hand strap lets you hold and rotate the tablet in any direction with ease

## All new cleanable, rugged materials

- Performance and ruggedness equal to your tablet
- Tested and validated to endure tension stress, extreme temperatures and exposure to chemical solvents\*

## Easily accessible pen storage

- Securely store your active or passive pen using the clip behind the rotating hand strap

## Universal VESA attachment

- Backplate features standard 50 x 50 mm dimensions and is compatible with other accessories with a VESA pattern

## Dimensions

- 85 x 61 x 17 mm

## Weight

- 98g

## Compatibility

- Latitude 7030 Rugged Extreme

## Features

- Custom Fit
- 360-degree swivel
- VESA mount based attachment
- Includes storage clip for active/passive pen
- Cleanable Material\*

\*Tested solvents: Gasoline, diesel, motor oil, red loctite, super glue, MEK, DP810, minimum 99% IPA, acetone, oil base furniture cleaner, kerosene, bleach, engine degreaser, paint thinner, super sani-cloth

# Dell Magnetic Mount

Mount your Latitude 7030 Rugged Extreme Tablet instantly to any metal surface with a powerful VESA magnetic backplate built for tough conditions.

## All new cleanable, rugged materials

- Performance and ruggedness equal to your tablet
- Tested and validated to endure exposure to chemical solvents\*

## Easily accessible pen storage

- Securely store your active or passive pen using the clip behind the magnetic mount

## Dimensions

- 61 x 72 x 23 mm

## Weight

- 157g

## Compatibility

- Latitude 7030 Rugged Extreme

## Features

- Mountable on any ferrous metal surface
- VESA 50x50 mount based attachment
- Includes storage clip for active/passive pen
- Cleanable Material\*

\*Tested solvents: Gasoline, diesel, motor oil, red loctite, super glue, MEK, DP810, minimum 99% IPA, acetone, oil base furniture cleaner, kerosene, bleach, engine degreaser, paint thinner, super sani-cloth

# Dell Kickstand

Lightweight VESA kickstand to keep your tablet upright for easy, hands-free viewing and use.

## Keep your tablet upright

- Lightweight VESA 50x50 kickstand folds out and folds away easily
- VESA backplate attaches simply and securely to the back of your tablet

## All new cleanable, rugged materials

- Performance and ruggedness equal to your tablet
- Tested and validated to endure exposure to chemical solvents\*

## Easily accessible pen storage

- Securely store your active or passive pen using the clip behind the kickstand

## Dimensions

- 82 x 72 x 16 mm

## Weight

- 58g

## Compatibility

- Latitude 7030 Rugged Extreme

## Features

- Lightweight and strong hinge
- Includes storage clip for active/passive pen
- Cleanable Material\*

# Mobility Accessories

## Dell Rigid Handle With Passive Pen

Take your work on-the-go with the ergonomic, reversable Dell Rigid Tablet Handle

### More ways to hold and carry your tablet

- Reverse the handle according to preference and ergonomics
- Handle feels great in your hand with rubber mold for grip and rigid polymer structure for a solid feel
